

On November 1-3, 2023, please join World Heritage USA and partners in San Antonio, Texas, as we explore and celebrate the cultural identities that make up our shared heritage. We will kick off the event with an opening reception at [The Alamo](#) on the evening of November 1. Our symposium and conference “**Affirming Cultural Identity: World Heritage in the 21<sup>st</sup> Century**” will take place on the mornings of November 2 and 3, followed by our annual Celebration of World Heritage on the evening of November 3. For more information about the event, speakers, and upcoming tours, please visit our website (<https://worldheritageusa.org/symposium/>).

We hope that you will consider a sponsorship contribution to help us underwrite the events and bring domestic and international presenters to San Antonio. The event offers sponsors an incomparable opportunity for connecting with local preservation activists and ICOMOS-USA's exclusive global network of practitioners in architecture, conservation and archaeology.

Our Symposium and Conference will feature four themes: 1) the World Heritage nomination process; 2) the marketing of World Heritage Sites; 3) Indigenous Cultural Traditions and; 4) Transboundary Partnerships.
